Dear Sir

Some little time
ago I sent you a registered letter containing
a \$10⁰⁰ bill, and received the P.O. receipt in
due time. The money was to pay for two full
sets of proofs and two minor sets of 1890.
I do not wish to be impatient but would
feel less anxious if I knew why the sets
have not come, I tried to get my
order in, in time to get the 3 ct nickel piece.

Yours truly
